Software Engineering Intern- Caesarea, Israel

**Start Date:** flexible – 20-24 h/week  
**Internship location** Caesarea

---

**Why You’ll Love Cisco**

We connect everything: people, processes, data, and things. We innovate everywhere, taking bold risks to shape the technologies that give us smart cities, connected cars, and handheld hospitals. And we do it in style with unique personalities who aren’t afraid to change the way the world works, lives, plays and learns. We are thought leaders, tech geeks, pop culture aficionados, and we even have a few purple haired rock stars. We celebrate the creativity and diversity that fuels our innovation. We are dreamers and we are doers. #We Are Cisco

**Join our team in Caesarea:**

We are looking for brilliant ambitious and motivated Computer Science / Electrical Engineering Student, to join an amazing team in the VLSI field.

Position is opened for top achieving students (grades >88) who completed 2 years of studies from Technion, Tel Aviv or Ben-Gurion University

**What are we looking for?**

- Brilliant software engineers, regardless of previous experience.
- People who can quickly ramp on multiple, interdisciplinary domains.
- Team players who enjoy big challenges.

**About Cisco:**

The Internet of things is a phenomenon driving new opportunities for Cisco and it’s transforming our customers’ businesses worldwide. We are pioneers and have been since the early days of connectivity. Today, we are building teams that are expanding our technology solutions in the mobile, cloud, security, IT, and big data spaces, including software and consulting services. As Cisco delivers the network that powers the Internet, we are connecting the unconnected. Imagine creating unprecedented disruption. Collaborate with like-minded innovators in a fun and flexible culture that has earned Cisco global recognition as a Great Place To Work. With roughly 10 billion connected things in the world now and over 50 billion estimated in the future, your career has exponential possibilities at Cisco.
